

Septic System & Well Use and Maintenance Workshop

presented by

MSU Extension & Macomb County Health Department

Wednesday, December 12, 2018

6:15 to 8:30 P.M.

Check in begins at 6:00 PM

Ray Township Senior Center
64255 Wolcott Rd., Ray Twp. 48096

A faulty well or septic system can harm a family's health as well as threaten pets and wildlife, contaminate surface and groundwater and lower property values. This workshop will cover well construction and maintenance, water conservation, how a septic system functions, septic system maintenance, how to detect septic failure.

Participants will receive handouts on these topics.

Workshop is **FREE** but pre-registration is recommended to insure seating and handouts

To register: visit events.anr.msu.edu/septic-tank

For more information: call 586-469-6440 or go to
