

FREE LEGAL WORKSHOP: HOW TO PROTECT YOUR “STUFF” IN 3 EASY STEPS

All Your Questions Answered, including

- How my most important asset mistakenly ends up in Probate
- How the Supreme Court changed the rules for my IRAs and my current financial planner doesn't even know
- How to protect my children, if my spouse remarries
- How to protect my children from poor financial decisions, as well as creditors and divorce
- How to give control to those you trust most when you're not able.
- How working with a Certified Elder Law Attorney is different than working with an estate planning lawyer or non-certified elder law attorney
