A Tween and Teen Craft Night

Uniquely Dyed Eggs

Tuesday, April 16, 6:30 pm

Tweens and teens can celebrate the season by decorating eggs with us as we will try a couple non-traditional dying methods to create a few uniquely colored eggs.

Dye can stain, please bring an apron or wear older clothes.

Supplies are limited, registration is required. Please register on the Event Calendar at warrenlibrary.net or call 586-751-5377.
