Parents/Guardians Needed

**EARN
\$150
CASH!**

- Do you want to earn up to \$150?
- Are you a parent or guardian of a child 5 years old or younger?
- Do you live in Macomb County or northern Wayne County?
- Do you want to learn about resources available to you and your family?

If you answered yes to all of these questions you may qualify to participate and earn up to \$150.

United Way for Southeastern Michigan is collaborating with community agencies, including CARE of Southeastern Michigan, to complete an evaluation study. This study will help us to understand how we can better serve families with young children. We are offering this money to show appreciation for taking your time to participate.

What do I have to do:

Meet with staff in home or desired location to complete assessments and receive feedback. The assessments will cover questions about your family in areas such as parenting skills, child development, and overall family well-being. The feedback you receive will give you an idea of your family strengths and areas for growth and offer connections to community resources.

Each time a set of assessments have been completed you will get \$50 cash. Assessments will be completed every 6 months for the duration of the study.
