

CODY CREW CLEAN-UP

WITH MOTOR CITY GROUNDS CREW & THE MISSION CONTINUES

Volunteer support is needed to help activate this expansive, vacant park into a vibrant and inviting community space.

Working towards the goal of more recreation opportunities for Detroit residents, partners will come together to transform vacant land into parks and community spaces. Volunteers will help with several projects including building picnic tables and benches, landscaping, and installing a walking trail. The service project will conclude with a cook out and celebration, so please join us to kick off the summer in service!
