

Good Shepherd Coalition (GSC)

Is partnering with *Vintage House Banquets & Catering*
to bring to Macomb County our very own Festival of Trees!

We are working with private donors and area businesses, individuals who are talented decorators, bakers, designers, and florists to help create this overall event.

This is not a small undertaking, this is why we are approaching you!
Festival of Trees requires A LOT of gorgeous and beautiful artificial trees.

We are asking for help with greatly discounted artificial trees ranging from 3' – 8', along with any décor: ribbons, beads, ornaments, toppers, wreaths, swags, or tree skirts you may still have available!

We will be decorating each tree in a wide array of themes and colors. We have a wonderful group of volunteers who will be creating our beautiful trees for charity auction.

On the night of Friday, November 22nd, 2019 we will host an elegant preview night.

Each tree will be auctioned to benefit GSC!

On Saturday, November 23rd, 2019 hundreds of families will enjoy an afternoon of stories, hot cocoa, cookie decorating, and cookie eating, along with viewing all the amazing trees and visiting with Santa!

We do hope you will consider helping GSC as we take on this great and wonderful task!
