## "An Uncommon Criminal: The Extraordinary Life of Edwin Turner Osbaldeston"

Ever come across a criminal or con artist while digging through your family history? Ken Siver did. In the Southfield mayor and historians' latest book, "An Uncommon Criminal: The Extraordinary Life of Edwin Turner Osbaldeston", Siver presents the biography of his great-grandfather, recounting a 70-year crime spree in which he pretended to be a doctor, professor, war hero, and more. You'll hear tales and anecdotes of how he and his family uncovered the true story of Edwin Turner Osbaldeston.
