About the Headliner Unspoken

The band is composed of Chad Mattson, Jon Lowry, Ariel Munoz, Alan Pelno, and Wiso Aponte. Unspoken has had four straight Top 5 AC singles in their career including “Who You Are,” “Lift My Life Up,” “Start A Fire,” and “Good Fight,” with “Start A Fire” reaching No. 1; the song “Lift My Life Up” was also included on the 2015 WOW Hits Release. With successful tours alongside artists such as [Big Daddy Weave](#) and [Sanctus Real](#), Unspoken has built steady momentum with their last two Eps. Someone told lead singer Chad Mattson once that great songs come out of hard times. He and his bandmates have their new album “**Reason**” to prove that testament is true. But there were certainly points when they wished it wasn’t.

Fifteen years into their journey as a band, Unspoken stood with three albums and armfuls of songs—many of which had **made big impact** in and beyond the church. “[Reason](#)” - is currently at **#5 on the charts** and climbing quickly! [Official music video release of “The Reason”](#) with more than 4 million YouTube views.
