Topic/Speaker #1	Topic/Speaker #2
<p>Autism as an Asset Barry M. Prizant, Ph.D., CCC-SLP</p> <p>Autism can be packed with advantages. Prizant, author of <u>Uniquely Human: A Different Way of Seeing Autism</u>, is at the forefront of those flipping the script on autism.</p>	<p>A Better 'Sense' of ASD Chloe Rothschild</p> <p>Rothschild is a young adult, self-advocate and author who educates people about autism from her perspective. She loves discussing the lesser-known "sense" of feeling and being in touch with the body.</p>

Hosted by Metro Parent Magazine and Henry Ford Health System
