## Stand Up!

Michigan's children are counting on you to be their voice. Stand up and speak out to:

- Inform our leaders
- Help fund effective programs
- Protect at-risk children
- Invest in the health of Michigan families

## Power of One

Never underestimate the power of one person to raise awareness and make a difference. You can be that person.

- One pinwheel raises awareness
- One dollar supports action
- One voice changes perspective
- One action changes a child's life

## Events of the Day

- Rally with speakers and entertainment
- Short procession and planting of a symbolic pinwheel garden
- Resource tables
- Opportunity to meet with elected officials

Every pinwheel is a symbol of hope representing the carefree and loving childhood every Michigan child deserves. Please join us and stand up for Michigan's kids on April 21.
