Earth Day 2020: Let's Go Green!

SIERRA CLUB
MICHIGAN CHAPTER

In recognition of the 50th anniversary of Earth Day, Gerald Hasspacher of the Southeast Michigan Group of the Sierra Club will give an environmental awareness presentation. Topics discussed will include energy, watersheds, and hazardous chemicals in everyday products. He will also cover native & invasive birds, plants, and trees. You'll learn tips for the yard, the garden, and reducing energy usage.

All are welcome, registration is required. Call the branch or visit our website.
