

Paper Crafts @ Mount Clemens Public Library

Interested in learning new ways to use paper? If so, we have the program for you! Every **third Tuesday of the month (unless otherwise noted)** from **5-9pm** the library will provide the space for a drop-in open craft session. Don't scrapbook? Bring whatever craft that inspires you! Sign up at www.mtclib.org with your email address to receive a complete supply list & examples.

September 12— Pie-chart Layout with Shaker Pockets

****One week earlier because of Used Book Sale****

We will be creating a pie-chart layout with shaker pockets. You will need card stock, solid and patterned, 2-3 photos that will fit in the pie-chart and sequins.

OPERATION CHRISTMAS FUNDRAISER

Saturday, October 7, 9:00am—5:00pm

Admission is a new unwrapped gift suitable for a boy or girl, ages 11-16. See additional flyer for complete details or online at www.mtclib.org. Registration is necessary so reserve your table today! Contact Cathy to reserve tables for your group.

October 17—Birthday Cards

We will be making 2 different types of quick birthday cards. You will just need card bases, solid, bright solid card stock for the balloon card and washi tape or patterned paper for a birthday candle card.

November 21— Christmas Cards and Tags

We will be creating Christmas cards or tags, your choice. Bring card bases, tags or cardstock to create your own. Bring solid and print Christmas paper, embellishments and your scrapbook supplies. We will supply everything else.

December 19—1-2-3 Layout & Holiday Celebration

Learn the ease of using 1-2-3 scrapbook layout. You will need 2 sheets of solid cardstock and 1 sheet of double-sided cardstock for each layout. Use Christmas paper and have layouts ready for your Christmas photos. Bring photos and embellishments.

Bring an appetizer to share to you wish!

Registration is necessary for each scheduled event so please call the library at (586) 469-6200 or log onto our website www.mtclib.org to register. Please bring basic papercrafting supplies to all events. Instructions and help for that night's project are available the entire evening. You can always work on projects of your own choosing. Everyone is welcome to attend these events! It will not only give you the chance to learn new techniques, but also provides an opportunity to talk with others for brainstorming ideas. Questions?
