

DEMENTIA & DISABILITIES SUPPORTIVE SERVICES PROGRAM —

ACTIVITY PLANNING WEBINAR

Activity Planning for People with Developmental Disabilities (DD) and Dementia. Engaging people with DD and dementia in activities is important. Involvement in structured and routine activities can decrease agitation, increase mood and provide meaningful opportunities for engagement. This session will teach participants how to design and implement activities for people with DD during each stage of dementia.

Registration is free and includes 1.5 CEs!

JOIN US FOR THIS ALZHEIMER'S ASSOCIATION TRAINING!
