新年快樂  
Happy Chinese New Year

**WHO SHOULD ATTEND:**

Youth ages 5 - 12

**DESCRIPTION:**

The annual Chinese holiday marks the beginning of the Lunar New Year or the Spring Festival. Each year it is represented by a zodiac animal on the lunar-solar Chinese calendar. Chinese citizens are readying to welcome 2018 as the Year of the Dog. The Spring Festival in China is celebrated for several months as a time to gather with family and hope for good fortune in the upcoming year.

Youth will learn and experience a combination of Chinese New Year traditions such as the eating of dumplings, performing dragon and lion dances and the making of Chinese Lanterns.

*MSU is an affirmative-action, equal-opportunity employer, committed to achieving excellence through a diverse workforce and inclusive culture that encourages all people to reach their full potential. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.
