

Sound the Alarm!

soundthealarm.org/Michigan

***Help make Michigan safer by taking part in our nationwide effort to
Reduce fire-related deaths and injuries due to home fires!***

Across the country, the Red Cross will ***Sound the Alarm*** this Spring in a series of home fire safety and smoke alarm installation events in more than 100-high-risk communities; with volunteers and partners installing 100,000 free smoke alarms!

The Red Cross responds to nearly 64,000 disasters a year, the majority of which are home fires. Together, we can ***Sound the Alarm*** about fire safety and help save lives.

Please help us by volunteering to install smoke alarms, making a financial contribution or taking steps to protect your own family from home fires.
