

DEMENTIA & DISABILITIES SUPPORTIVE SERVICES PROGRAM —

## PREVENTING & RESPONDING TO BEHAVIORS

**Preventing & Responding to Behaviors in People with Developmental Disabilities (DD) and Dementia.** Behavior change is a common symptom of dementia and may require different interventions than responding to behaviors caused by DD. This program is designed to help attendees learn more about common behavior changes in those with DD and dementia, including training to help decipher the root cause of the behavior and how to prevent and respond to common behavior changes. **Registration is free and includes 1.5 Social Work CEs!**

### **TWO FREE OPPORTUNITIES TO TAKE PART:**

**Friday, December 7, 10:30 a.m. - Noon**

**Tuesday, December 18, 1:30 – 3 p.m.**

No webcam or microphone required to attend this webinar. Speakers or headphones are required.

**Pre-registration required! Please contact Kristi Davis ([krdavis@alz.org](mailto:krdavis@alz.org) | 248.996.1052) to register and for instructions on how to join the webinar.**

**There will be two opportunities in January to attend Dementia Assessment and Next Steps for those with DD and Dementia. Stay tuned for details!**
