

St. Clair Shores Parks & Recreation Presents  
2018 Special Needs Summer  
Playground Program

Our program, based out of Veterans Memorial Park in the City of St. Clair Shores, is recognized as one of the best in the state. We provide many opportunities for children with Special Needs during the summer months. These opportunities include field trips to places such as the Westview Orchard, Warren Community Center, the Detroit Zoo, etc. We also attend the public pool twice a week, in order to keep the kids cool during those hot summer days. While at the Park, we provide arts and crafts, sports, games, education tips and ideas, and other special activities. Hope to see you this summer! Should you have any questions or concerns please do not hesitate to call (586) 445-5350.
