This is an open forum to discuss the changes needed in Michigan's public mental health system with a focus on **Community Mental Health** services in **Wayne County**.

Agenda:

- Advocates and community leaders will introduce issues and objectives.
- Local public officials will discuss their views and concerns about the public mental health system.
- Concerned citizens will have an opportunity to comment on the needs for change and collaborate with legislators and community leaders.

Individual comments will be limited to 3 minutes each to enable many people to express their concerns. You may email more extensive comments to fred.a.cummins@gmail.com (President, Alliance for the Mentally Ill) with Subject, "Mental Health Forum," to be shared with legislators.

Background material:
