Détroit, the French Frontier

Join us as Detroit Historical Museum staff discuss the French founding and settlement of the rural frontier Détroit. This brief presentation will be followed by a lunch of authentic French cuisine, catered by Brooklyn Street Local. The fun doesn't stop there!

Trois Bouffons, a local French-Canadian music group will regale you with dances, folk dancing and a few stories of the French who helped build Detroit.

The Alzheimer's Association - Greater Michigan Chapter's Community Connect program is designed to provide people living with Alzheimer's disease and other forms of dementia and their care partners with a broad range of socialization and culturally significant events and outings.
