

During the COVID-19 pandemic, WAVE Project (Welcoming All Valuing Everyone) continues to pursue opportunities to partner with volunteers and organizations to serve people experiencing homelessness around Metro Detroit. We may not be able to operate our shower trailer at this time, but our mission to share love remains strong. Currently, many people living on the streets are in need of clothing essentials to help get them through this time of limited services and resources.

WAVE Project invites you to participate in our no-contact Clothing Essentials Drive to provide those in need with unused (new) t-shirts and underwear. There is a strong need for men's and women's items. We are asking for packaged items (dark colors preferred) in the medium - XL size range. Donations will be accepted through the end of April via front porch drop at 17673 Kuecken Street, Clinton Township, MI 48038.
