

Garden Photography Workshop

Hosted by Edsel & Eleanor Ford House

Saturday, July 18, 2020 | 10:00 A.M. – 11:00 A.M.

Join award-winning botanical photographer Laurie Tennent for a two-session flower photography workshop using the vibrant gardens at Ford House as inspiration.

Tennent will help you with photo composition, framing, camera angles, selective focus, and exposure. She will also share some of her unique personal photography techniques.

All levels of photography experience are welcome.

Session #1 of this workshop (July 18) will be instructional. In Session #2 (July 25), Laurie will look over, discuss, and provide feedback on the photos participants have taken during the week in between the workshops.

This workshop will be online using the Zoom platform; however, all participants will be given a pass to visit the estate during the week between sessions to take their photos.

There are two sessions for this virtual workshop, July 18 & July 25.

**Both sessions happen at 10:00 A.M.
Cost: \$15 general public, \$10 members**
