## **Make Your Voice Heard!**

The United State's constitution guarantees every citizen age 18 or older the right to vote. You have the ability to influence, change, and make a positive difference in your life and the lives of your friends, family, and neighbors. Your voice matters.

**Be an advocate for yourself through voting!**

Oakland Community Health Network (OCHN) is offering a series of virtual seminars on voting. Take advantage of this opportunity to learn more about the issues around voting, candidate positions and more to be as informed as possible for the upcoming election.
