

# BIRDS OF A FEATHER

## **Birds of a Feather (K-5th kids) 2 sessions**

Hosted by Oakland Township Parks and Recreation Commission and Dinosaur Hill Nature Preserve

**Tuesday, August 11, 2020**

**4:30 PM – 6:00 P.M. and 6:30 - 8:00 P.M.**

**Lost Lake Nature Park  
Oakland Township, Michigan 48363**

We find that it's difficult to imagine a summer hike without the constant chattering of bird's hidden on the branches above defending their territories.

Although many of our feathered friends conceal themselves in clever camouflage some choose to be bright and showy!

Join us as we talk about some of our favorite chirpers up in the trees before putting together and decorating our own binoculars to take on the trails (and home!)

We will even be putting together some feathered masquerade masks to try and blend in with the birds on the trails.

Registration Required, follow one of the following links, depending on the time you want:
