

MSN Presents:

Trauma Informed Care

Saturday, October 9, 2021

Virtual

9:00am-11:00am

Trauma touches more people's lives than may be realized. This presentation will review the definitions and prevalence of trauma in our communities and discuss how trauma impacts lives, including how it appears in different environments. Ways to prevent triggers, support those experiencing trauma, and ways to nurture ourselves will be explored.

Melissa Peters, MA, LPC

Melissa has a Master's degree in Counseling and a Bachelor degree in Psychology and Sociology concentrating in Criminal Justice. She is a Licensed Professional Counselor (LPC, NCC) with over 17 years' experience - 16 years with Judson Center, which she serves as the current Director of Behavioral Health Services. Melissa has both the behavioral health and child welfare experience that has led to a high level of knowledge with therapy, case management, treatment, and collaborated business relationships for effective service delivery. She has experience with providing trainings for community partners and target populations over the last several years, which have included topics, such as: Trauma Informed Care, Social Emotional Learning, Mental Health and Kids, and general .

Depression: What does it mean for younger kids?

Saturday, November 13, 2021

Virtual

9:00am-11:00am

This presentation will provide information around the definitions and prevalence of depression, specifically focusing on children under 10. We will address how to support those struggling with depression and assist them in navigating their feelings. Suicide prevention information and general resources will also be provided.
