

Macomb County Mental Health Awareness Fair

Macomb Family Services in conjunction with the Northern Macomb Prevention Coalition welcomes all mental health organizations within Macomb County to join us in a collaborative mental health fair event! Our ambition is to come together to bring awareness to the vast amount of services our county has to offer. As a collective effort we can help remind our community members that no one has to struggle in silence.

Event Date:

February 18, 2023 10 AM-4 PM

Event Site:

Richmond AUD
68931 Main Street, Richmond, MI 48062
