

INDEPTH

Free, four session education program available to help our teens make healthier choices.

An essential part of lowering teen tobacco use rates

What is INDEPTH?

Intervention for Nicotine Dependence: Education, Prevention, Tobacco and Health (**INDEPTH**) is a convenient **alternative to suspension or citation** that helps schools and communities address the teen vaping problem in a more supportive way.

New session forming soon!

Program developed the American Lung Association in partnership with the Prevention Research Center of West Virginia University.

Federal, state and local funding has been provided through Macomb Community Mental Health/Office of Substance Abuse and other funding sources to support project costs. Recipients of substance use services have rights protected by state and federal law and promulgated rules. For information, contact CARE of Southeastern Michigan Recipient.
